

[FinOp: Fueling Growth in the Compliance Industry](#)

January 3, 2020

Foreside's Mark Alcaide, Senior Managing Director, Consulting and Phil Dawicki, Managing Director, FINOP Services recently sat down with CFO Tech Outlook to share their thoughts on FINOPs: Fueling Growth in the Compliance Industry. During their discussion Mark and Phil walked through current market scenarios, how important data is to organizations, creating seamless integrations, and simplifying compliance through technology. You can read the full article [HERE](#) on page 27.
